Dear Sir / Madam,

RE: REGIONAL ICT TEACHERS CAPACITY DEVELOPMENT WORKSHOP ON 13th JULY 2019 AT DR. OBOTE COLLEGE - BOROBORO, LIRA

We hereby invite your ICT and Computer Studies teachers for our regional capacity development workshop scheduled for Saturday 13th July, 2019 at Dr. Obote College, Lira.

This year we recently concluded our national capacity development workshop which was held on 6th and 7th May 2019 at Kololo Senior Secondary School, Kampala, with a focus on skilling and tooling the ICT teachers to effectively manage and maintain the school computer laboratories and hands-on in new approaches for curriculum delivery of commonly challenging topics like programming and website design. The workshop was a success due to the great turn up and some support from several sponsors and partners.

We are now organising several regional workshops as an outreach and follow up on what was shared in Kampala. This is going to make it easier for ICT Teachers within the region to attend since the workshop will be nearer to them. This workshop is going to involve practical sessions in the computer lab as indicated on the attached tentative program. The workshop fee is UGX 25,000 to cater for meals, facilities, facilitation, workshop materials and resources. Your school can send as many teachers as it can facilitate.

Teachers are requested to confirm their participation by registering through the link cdw.ictteachersug.net for proper planning.

Yours faithfully,

Kakaire Charles

Kakaire Charles
National Chairperson – ITAU
c/o Busoga College Mwiri – ICT Dept
