In case you are not sure of where your district falls, please refer to this [Wikipedia page showing the map of Uganda with districts per region](#).

### PLEASE NOTE:

#### The Committees Were constituted to:

1. Continue mobilisation of ICT teachers country wide in order to ensure that our association is fully, validly and legally registered, recognised and embraced nationally. (Especially during the times ICT Teachers meet like in workshops and marking centres).
2. Immediately take on the roles in acting capacity for a period of not more than one year - to debate and finalise with the draft constitution, organise the first UITA Annual General Meeting (AGM) in which the Fully Constituted UITA executive will be elected basing on an officially adopted [constitution](#) and officially register association with Uganda Registration Services Bureau (URSB).
3. Please GET INVOLVED by getting more members informed, creating your account on the UITA website at <https://www.icteachersug.net/register/> and subscribing for updates, and sending your views / guidance via our website, social media platforms on Facebook and WhatsApp (find join links at the top of our website) to keep in touch.
4. Together, we can build an umbrella which we shall be proud of.
