HEAD TEACHER
MAKERERE COLLEGE SCHOOL

Dear sir/madam,

RE: TEACHERS CAPACITY DEVELOPMENT AND RESOURCE SHARING WORKSHOP ON ICT INTEGRATION IN PEDAGOGY, SLATED FOR WOMEN'S DAY 8TH MARCH 2022 AT MAKERERE COLLEGE SCHOOL

In line with the Education Digital Agenda 2021-2025, National Development Plan (NDP) II & III which advocate for leveraging ICT Integration in education sector, resulting into improved quality learning outcomes and inclusiveness, we have organized the above referenced workshop.

The agenda of the workshop will be as follows:

8:00-8:30 am	Arrival, Registration and Introductions
8:30-9:00 am	Welcome remarks and digital resource sharing / installations
9:00-10:00am	Women's Day 2021: How Uganda's Digital Agenda promotes gender inclusion
10:00-11:00am	Exposition: ICT as an aid for the new curriculum and abridged curriculum
11:00-11:30am	Break tea
11:30-1:00pm	Hands-on: Demo ICT Integrated Lessons
1:00-2:00pm	Lunch
2:00-2:30pm	Running ICT Clubs to support ICT Integration and project-based learning
2:30-3:00pm	School ICT Policy: The need and how to develop one
3:00-4:30pm	Notices and Updates about • Joining the Edify Education Technology Program • ITAU SACCO and ITAU AGM 2022
4:30-5:30pm	AOB and closure

The workshop fee is UGX 30,000 to cater for facilities, meals, and several new resources which will be shared to all the participants to take back to their schools, such as offline digital libraries that can be used for research as recommended in the new curriculum.

The workshop model is Training of Trainers (ToT), and we expect the teachers who make it to the workshop to be fully equipped and be in position to share with their other colleagues back home. You are therefore encouraged to facilitate your ICT teachers (or any other subject teachers) to represent your school at workshop. Participants should come with a laptop or flash disk of at least 16GB capacity in order to receive the digital resources that will be shared.

Sincerely,

....
