Dear Sir/Madam,

RE: INVITATION TO WORDCAMP JINJA 2023 – WEB DESIGN CONFERENCE

We cordially invite your esteemed institution to be a part of WordCamp Jinja 2023, a transformative conference on website development and publishing with WordPress Software. The conference will empower students to build dynamic and static websites for various purposes, including academic projects, vocational skills and club activities as needed in the new curriculum. Teachers will also learn more about administration and maintenance of school websites and e-content from industry professionals. General information and program is available at jinja.wordcamp.org/2023.

The theme of this year's event is "There's always more to learn!", and it will take place at **Iganga (Girls) Secondary School** on **Mon 4th - Tue 5th September 2023** (first week of 2nd term school holiday). Although there are many computers in the host school lab, participants are encouraged to carry own laptops for the practical sessions. There will also be an optional extra contributor day and do-action hackathon on 6th September 2023 at The Innovation Village in Jinja City.

To confirm attendance, you will need to pay for tickets as follows:
